# SWEET PEAS AND OTHER FLOWER SEEDS.

*To our Friends and Patrons:*

In this line of seeds we are importers of those varieties whose seeds are not successfully matured in this country, and of those that can be perfectly matured here we have obtained the best. We are in a position to supply your wants with anything in the Flower Seed line that you may desire. Our Flower Seeds are not cheap, either in the sense of quality or in price. We have obtained the best and have necessarily had to pay a liberal price for them. In Sweet Peas we have several distinct colors and varieties. Price of these per oz, 10c; for  $\frac{1}{4}$  lb, 20c; for  $\frac{1}{2}$  lb, 35c; for 1 lb, 60c.

## Large Flowering Imperial Mixture.

(Sweet Peas.)

Our Imperial Mixture of Sweet Peas includes all of the most popular named varieties, such as *Emily Henderson*, *Primrose*, *Mrs. Eckford*, *Butterfly* and many others. We have secured of the high standard growers of Sweet Peas their famous and straight varieties and have mixed them ourselves. We know that we are able, for 1901, to give you **only the best and all the best**, and we believe, an unequalled mixture. **Haines Seed Company's Best**, pkg, 5c; 1 oz, 10c;  $\frac{1}{4}$  lb, 20c; 1 lb, 50c.

Ask for further list on Flower Seeds.
